You can help prevent child abuse!

Children's Trust Fund License Plates

Now you can support the Children's Trust Fund (CTF) on your license plate and assist in the prevention of child abuse for children in Kansas. When you do, you'll be ordering colorful Children's Trust Fund personalized plates for your motor vehicle. These official Children's Trust Fund plates feature a child's colorful artwork of a family. All elements of the plate appear in an array of primary colors on a reflective white background.

It's your license and opportunity to show you care. And, it's as easy as filling out this form. **We are presently working toward obtaining signatures for a minimum of 500 license plates so production and distribution can begin as scheduled.**

Note: Plates are issued in sequential numbers. Personalization is not available

At this point we are only gathering information pertaining to the purchaser. The annual cost of the CTF plate is \$50 (tax-deductible). Upon receipt of 500 prospective sales, CTF will mail application forms to the names listed with request for payment. By signing the attached order form you are making a commitment to purchase a license plate.

Just fill out this application form and return to:
