

**Stafford County Commissioners**  
Minutes of Meeting  
August 31st, 2022

\*\*\*DRAFT\*\*\*

The Stafford County Board of County Commissioners met in regular session on Wednesday, August 31st, 2022, in the Commission Room in the Annex. Chairman Wycoff called the meeting to order at 8:30 a.m. Present: Todd Wycoff, Bryce Garner, and Clayton Grimm.

Carl Miller, Appraiser, Vanessa Cornwell, and Lisa Milton from the Treasurer's office advised the commissioners that they were going over outstanding items regarding delinquent taxes. They presented information regarding oil leases that had delinquent taxes and have been sold at sheriff sales. They wanted to verify that since those were sold at a sheriff sale that the delinquent taxes can be abated off the tax roll. Mike Robinson, County Attorney, approved the abatement of those taxes. They also discussed oil & gas warrants for delinquent taxes that are over 5 years delinquent. Some of these have changed ownership and they are researching current owners for those leases and want to verify that the taxes follow to the new owner. County Attorney Robinson advised the treasurer department to follow the process to revive the warrants and pursue collection of those taxes. Also presented was an uncollectable 2016 personal property tax warrant for a business that has dissolved leaving no recourse for collection which will be abated.

Commissioner Grimm moved, and Commissioner Garner seconded, to approve the minutes from the August 24th session. Motion carried 3-0.
