	<b>Total Receipts</b>		<b>84,160.78</b>	<b>6,057.55</b>	<b>68,028.71</b>	<b>74.52</b>	<b>10,000.00</b>

1947

1. The first part of the report deals with the general situation in the country. It is noted that the economy is in a state of depression and that the government is unable to meet its obligations. The report also mentions that the population is suffering from a lack of food and clothing.

2. The second part of the report discusses the political situation. It is noted that the government is weak and that there is a lack of unity among the different political groups. The report also mentions that the military is a powerful force in the country.

3. The third part of the report deals with the social situation. It is noted that there is a high level of unemployment and that the standard of living is very low. The report also mentions that there is a lack of social services and that the health care system is in a state of collapse.

4. The fourth part of the report discusses the international situation. It is noted that the country is isolated and that it has few friends in the international community. The report also mentions that the country is a target of international aggression.

5. The fifth part of the report deals with the future of the country. It is noted that the country needs a strong and stable government and that it needs to reform its economy and its social system. The report also mentions that the country needs to improve its relations with the international community.
